

# Taylorsville Dayzz

## Policies and Guidelines

Taylorsville Dayzz was created to celebrate our city's birthday. The event, in its 21<sup>th</sup> year, is sponsored by the City of Taylorsville, and supported by many local organizations. Each year Dayzz increases in size and participation. Besides free live entertainment, fireworks, parade, carnival, and food court, Dayzz provides a venue for area merchants, artists, and home crafters to display and sell their products in a family-oriented atmosphere.

Booth sales are handled by the Taylorsville Arts Council. Funds generated by these sales are used to promote local arts which include, stage and musical plays, art show, concerts, and other events.

The Taylorsville Arts Council reserves the right to refuse participation to vendors who do not comply with Dayzz rules and regulations or do not meet Dayzz standards which include, but are not limited to, all local, city, state, and federal laws and regulations. Dayzz staff has the right to ask a vendor to remove products.

Space is limited; therefore, not all applications will be accepted. Applications will NOT be accepted on a first-come, first-serve basis. Criteria for approval will be product quality, presentation, past participation, and vendors not selling similar products. Should an application not be accepted, it will be added to a vendor waiting list. You will be contacted should a space become available.

### **Dayzz will go on, rain, shine or snow.**

#### **1. Booth:**

- a. All booth fees must be paid prior to set-up and occupancy.
- b. Booth space will be assigned at check in.
- c. Vendor check in, and booth space assignment will begin at the northwest corner of the park, at 9:00 am on June 23, 2017. All vendors must check in prior to set up. The asphalt path through the park must be kept clear of all vehicles. All vendors should be prepared to have their booths operational no later than 5:00 pm on **June 23, 2017**.

- d. Vehicles will be allowed in the park area to unload supplies, and set-up materials. Once the unloading process is complete vehicles will be moved to assigned parking areas. Under no circumstance will vehicles (automobiles and trucks) be allowed to remain in the park area after Taylorsville Dayzz is open to the public. **If a van or trailer is used for storage, the van or trailer cannot be moved while the park is open to the public.** Vehicles that do not comply with this rule will be ticketed by Law Enforcement.
- e. All vendors should have their booths operational no later than 11:00 am on **June 24, 2017**. Due to the scheduling of the Taylorsville Dayzz Parade the park will not be accessible between 9:00 am through 11:00 am on June 24, 2017. Vendors should keep their booths open until 11:00 pm on June 24, 2017.
- f. “Booth space” is for the actual size paid for by fee. If additional space is required for food preparation or storage (trailers etc.), extra booth fees will be required.
- g. All tents/canopies must be secured to the ground without obstructing walkways for the public. Tiedowns must be parallel to canopy posts, and not obstruct public walkways. All vendor supplied booths must be professional in appearance. Vendor supplied booths must include a picture of their completed booth with application form. The Dayzz committee has the right to refuse vendors whose booths do not meet proper standards.
- h. Booth supports may not be removed or altered even if two or more connecting booths are used by the same vendor.
- i. Dayzz staff has the authority to move and reassign vendor spots to enhance or facilitate operations.
- j. Vendors may not sell any items not approved or shown on the Dayzz application. Dayzz staff has the right to ask vendor to remove products.
- k. We strongly encourage you to make your own signs to create as strong a presentation as possible. Not only do colorful and eye-catching signs add to the visual sense of the market, but research indicates that those vendors whose presentation is organized and whose signage is clear and easy to read sell more products. Your ultimate goal is to create an outdoor gallery/boutique. Your display will only add value to your product and it will also be what brings the customer into your booth. Make it

different, make it unique, and make it match your personality as an artist. Remember to consider your neighbors when creating your unique signs. Keep the aisles clear. Distribution of flyers and handbills on vehicles is strictly prohibited.

- l. Price, terms of sale, etc. are between buyer and seller only. All sellers agree to abide by fair business practices.
- m. Please stay within your assigned booth area if an “Authorized Vendor” tag is not issued (see item 2-C). Vendors will not be allowed to “heckle” the crowd as they pass by their booth. Bull horns or loud speaker broadcast equipment is not permitted for booth vendors.
- n. Vendors are responsible for clean-up of their space during event and before leaving the space at evening’s end.
- o. It is advisable that all vendors provide **hand sanitizer** for their customers.

## **2. Authorized walk-around vendors:**

- a. Certain products lend themselves to being sold without benefit of a booth. Vendors will be issued an “Authorized Vendor” tag. These vendors may pass among the crowd selling their product without causing a nuisance. Anyone selling a product that does not have an “Authorized Vendor” tag will be escorted from the park by law enforcement.
- b. Vendors are not allowed to sell products in the carnival area.
- c. The Dayzz staff has final authority relative to the issuance of “Authorized Vendor” tags.

## **3. Sales tax:**
